

Diwali Festivities

Laughter and glee makes me aware,
That Diwali festivities are in the air!

Parties held, Sweets delivered, Diyas lit,
A rangoli is made with lots of colours in it.

Lighting our firecrackers and watching in awe,
As all the wondrous colours explode with a roar!

We all gather around outside at night,
While the sparklers bring burning light.

Celebrating Diwali under the night sky,
Evil retreats while goodness draws nigh!
