

Footy

Footy feels like sticky mud that flicks up on to your face
Footy feels like wet and cold while you do up your shoelace

Footy smells like sweaty stink when you run around
Footy smells like a rubber footy bouncing on the ground

Footy looks like yellow umpires blowing whistles
Footy looks like footies flying through the air like missiles

Footy tastes like Gatorade giving you energy and speed
Footy tastes like a plastic mouthguard that your teeth need

Footy sounds like cheers squads celebrating when you score a
goal

Footy sounds like security guards on patrol
