

The adventures of Egg and Bacon
At chefLand

Egg and Bacon are best friends.

Hello

Hi!

Egg and Bacon also do almost every thing together.

Do you want to come to the beach

Yes

All living food lives in foodland.

How are you today

very good

There are 3 types of lands. Foodland, Chepland and trash

Chepland:

Yes sir

Chop the fish

All foods from foodland are terriped of Chepland

Ahhhhhh!

quich run away

Here he comes

Run!

This Morning Egg and Bacon were at the beach

When they found a weird discovery.

Wovley day

What's this in the sand?

I don't know

So Egg and Bacon started digging

Here we go

We're getting closer

Yes we found it

Egg and Bacon then opened the chest

What's inside?

Let's find out

But inside there was no treasure

What's it for?

To catch food like you

Quick Run

I'm frying

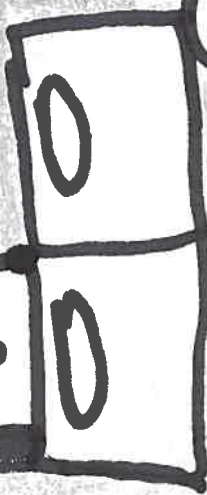

Before Egg and Bacon knew it they were teleporting to chefland with a chef

No!

Where are we?

In Chefland about to be eaten

Egg and Bacon
tried to escape
but went inside a
cage

It seemed weeks waiting in the
cage.

Oh dear

I hate
this

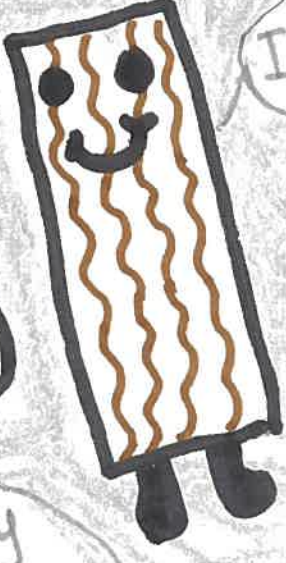

Another
day
gone

So
boring

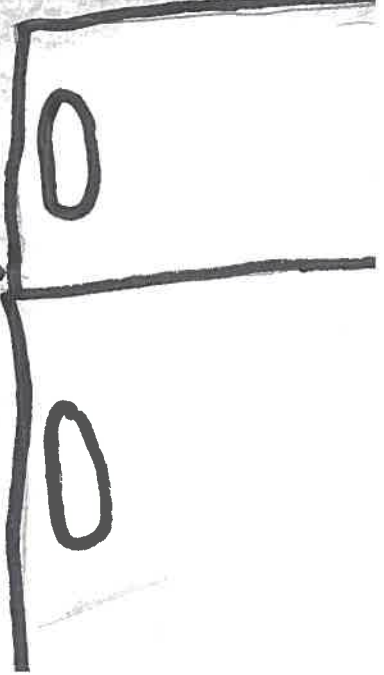

One day Egg suggested
to try escape.

Let's get out
of here

I feel silly

They
forgot to
lock the
door

Now, how are we going to get out of here?

There's guards everywhere

Good ideas
We need a plan

Egg and Bacon had to think of a good plan

We could go out the window

You would crack

Good Point

Just then Bacon thought of a great idea

Look a trapdoor we could escape through that

So a good idea

Then they crept into the trapdoor

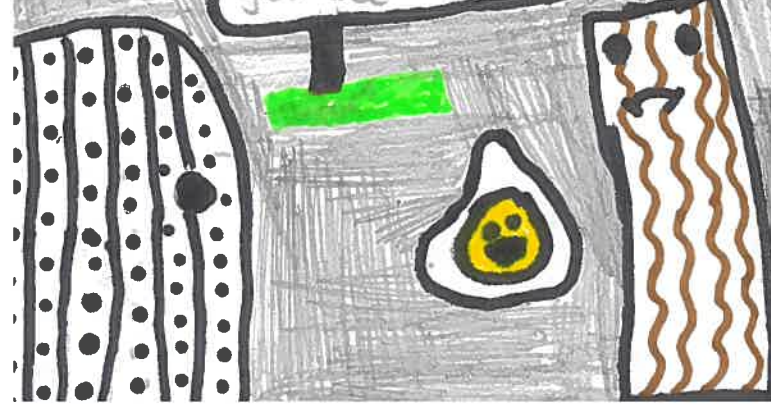

Ahhhhhh!

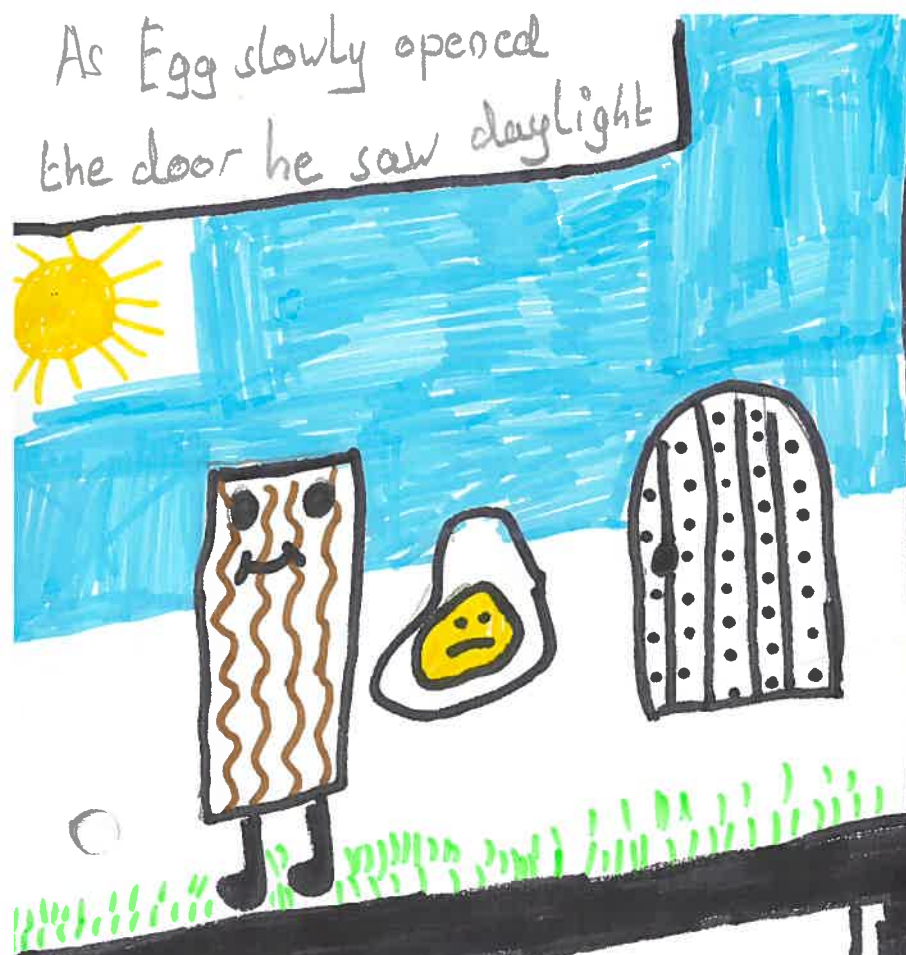

A skeleton

Ahhhhhh!

Escape if you wish but what will you see

As Egg slowly opened the door he saw daylight

Before they knew it and before they could look they saw the time machine

Neither of them knew how to use it so Egg tried. Then they got sucked in.

When Egg opened his eyes he was somewhere dark.

So Egg tried again

Meanwhile in foodland Egg and Bacon's Mom and Dad were so worried.

Stop smiling now

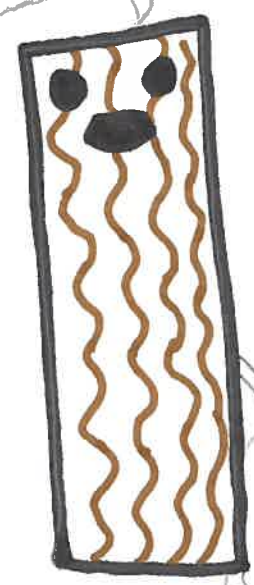

Have you seen our child sir

Sorry but No

Sorry

Have you seen our son Mr?

Don't worry

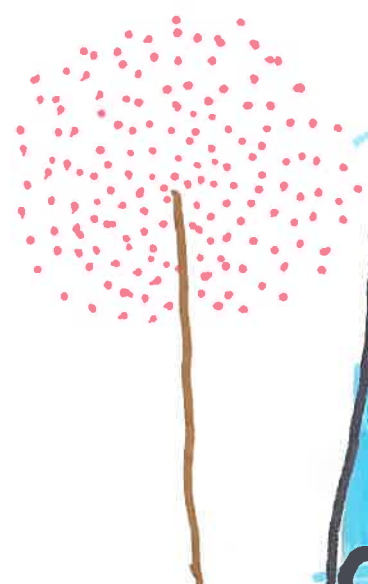

So Sorry but No

Yeah! The News is crazy

Have you heard of the missing children

The Daily News
Egg and Bacon go to Chepland

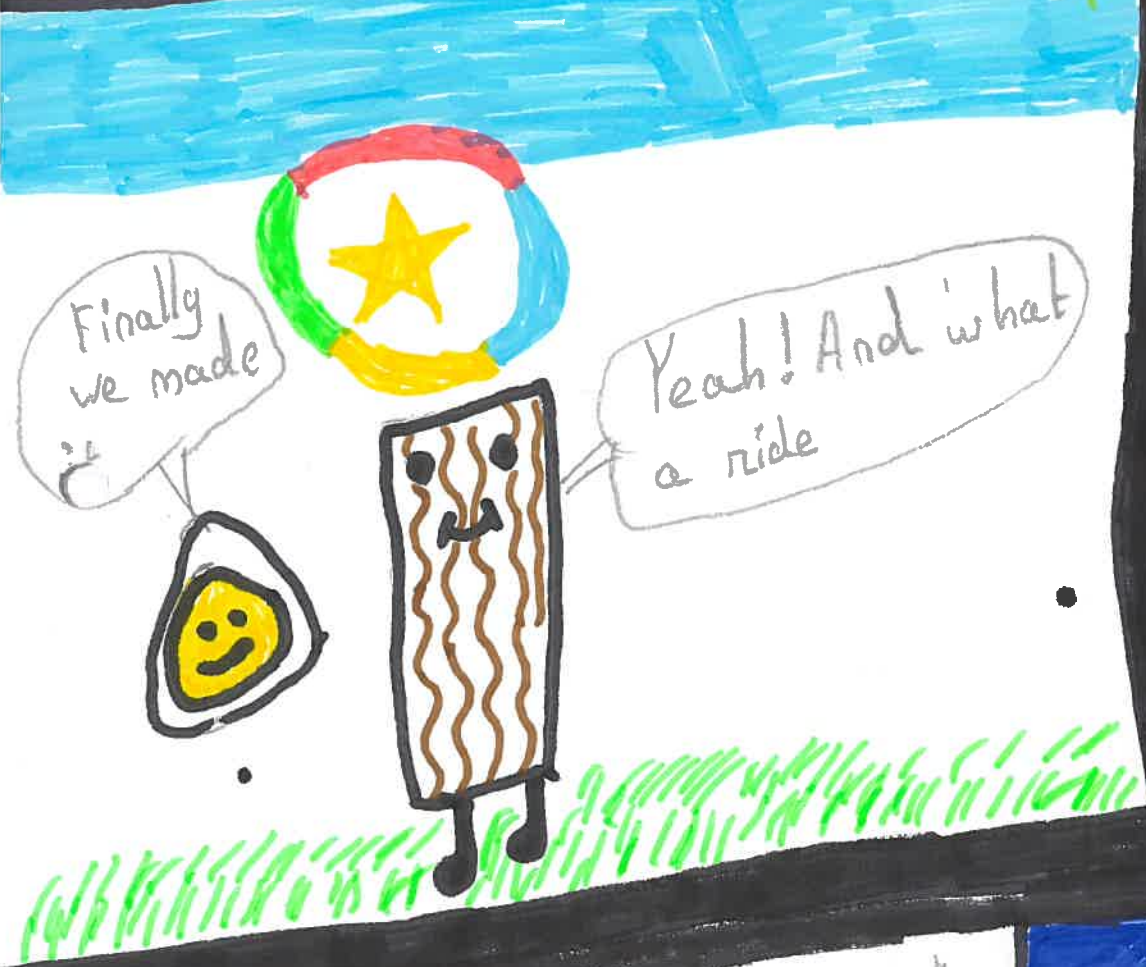

2 children go to chepland.

The Missing Children go Chepland!

After a very very long time Egg and Bacon made it to foodland

Huggy Time

Then everybody heard Footsteps

Just then everyone figured out
it was a chef.

Run away

Ahhhhh

MUST
CATCH
FOOD

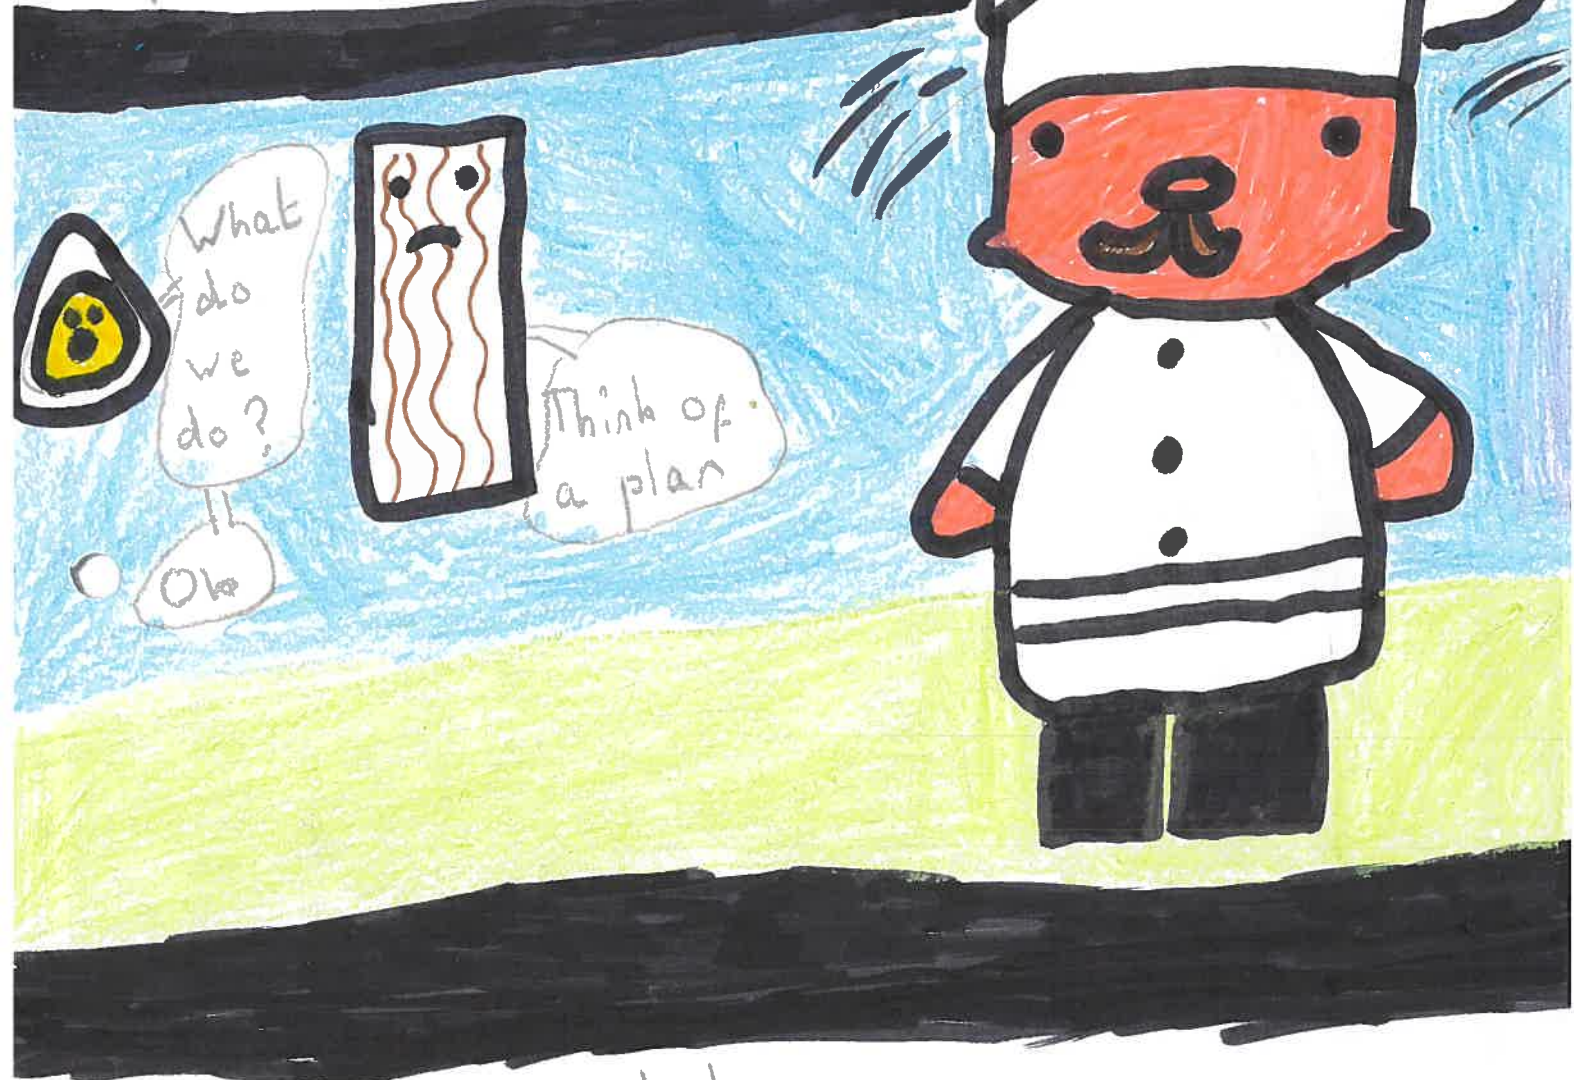

Just then Bacon figured out
it wasn't a chef it was a
robot!

The chef is a
Robot because
of his voice

Yes! You're
right

Egg and Bacon started to panic.

So egg and bacon hide behind a rock and thought of an idea.

Soon egg and bacon
were bursting with ideas

Bacon can you
control the crane
to turn the robot
off

great

Yes!

So Bacon started controlling the crane

MUST CATCH
FOOD

Ready set
go

Run!

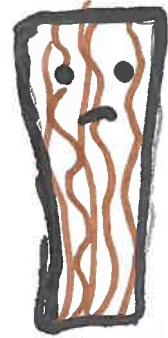

keep
going
it's
working

off on

After about two minutes they heard the sound of electricity.

crack
click
crack

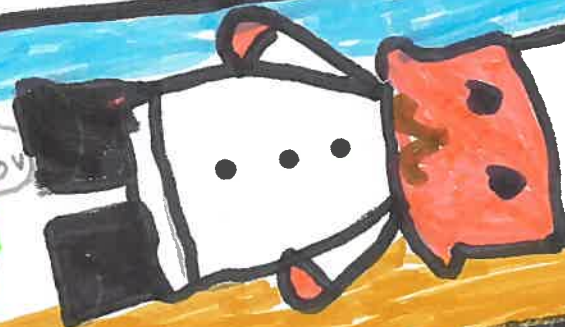

Then the chef robot broke and everyone cheered

Yes

Thank you

There is only one more thing to say

THE END
