

Pitter Patter of The Rain

Pitter patter, splitter splatter, the sound of all the rain

Split, splat, click clack, let's go through our adventure

Plit, plat, skit, skat, how wonderful is gazing

Look at the rain, just look at the rain

Wonderful, peaceful as a sleep,

As you're in bed when the rain peeps,

Shh, shh, the patter soft and graceful

CrrrrrEAKk, CrrrrrEAK, now it's about to stop

Uh oh! Oh wait, that's fine!

Look at that! Wow, a rainbow!
